Parade – New Route This Year

All entries for the parade will gather on the equipment lot at Dragoon's Farm Equipment on Route 11.

The parade will **BEGIN** at the Mooers Fire Station this year and head east to the blinking light. From there it will turn left onto Route 11 and proceed to Depot Street. From Depot to Maple Street and ending at the Mooers Elementary School.

We are looking for lots of community participation this year for our parade. Please consider entering a decorated bike, 4 wheeler, or any other type of float in our parade this year. We have been inside and away from each other long enough, let's get out and CELEBRATE!

For parade entries or information please email us: mooersfire@gmail.com
